The new policy for health in Europe

*Improving health for all
and reducing health inequities*

Edizioni ETS

The Tuscany Region and FORMAS are indebted to Dr. Flavio Lirussi for collating and editing the works presented at the FIT course.

The published contributions were presented at the 1st Florence International Training (FIT) course entitled “The new policy for health in Europe. Improving health for all and reducing health inequities”. The course was held on 11-16 November 2012 at villa La Quiete alla Montalve in Fiesole, Italy.
